

## **Campus Protection Plan (CPP) – Campus Experience Real Madrid Foundation 2026**

The **Campus Protection Plan (CPP)** is an **optional service** that offers participants **greater flexibility** in case of cancellations or date changes, in accordance with the conditions established in the **Cancellation Policy of the Campus Experience Real Madrid Foundation 2026**.

The CPP can **only be purchased at the time of registration and is non-refundable** under any circumstances, neither fully nor partially, even if the reservation is later cancelled.

### **1. Requirements to activate the CPP**

For the CPP to be valid, the following conditions must be met:

- **The full amount** of the reservation must be paid at **least 60 days prior to the start of the campus**.
- The **cancellation or date-change** request must be submitted within the deadlines established in the **Cancellation Policy**.

### **2. Benefits of the CPP**

The Campus Protection Plan allows participants to:

- **Extend the cancellation period with the right to partial refund:**
  - With the CPP, participants may cancel up to 30 days before the start of the campus, receiving a 75% refund of the amount paid or choosing a date change.
  - For cancellations made more than 60 days in advance, the refund will be 80%, or a date change may be requested.
- **Request date changes at no additional cost:**

If the participant is unable to attend on the scheduled dates, the CPP allows the reservation to be rescheduled for another Campus Experience Madrid 2026, within the cancellation deadlines established.

### **3. CPP exclusions**

The CPP **does not cover**:

- Voluntary withdrawal of the participant.
- Disciplinary expulsion.
- Cancellations made **outside the established deadlines** or **with incomplete payments**.
- Additional expenses.
- Medical, travel or visa insurance.

### **4. Important note**

We recommend **reading carefully the Cancellation Policy of the Campus Experience Real Madrid Foundation 2026**, where all **deadlines, refund percentages and applicable conditions** are detailed.
